

10th RMPP participants can look forward to building professional MARSEC knowledge and skills through presentations, lectures and network opportunities!

IFC has invited distinguished academia and subject-matter experts such as Prof Geoffrey Till to speak on the importance and challenges of MARSEC; Prof Robert Beckman on UNCLOS and Dr Asyura Salleh on Drug Trafficking/Irregular Human Migration.

Prof Christian Bueger will also provide insights on theft, robbery and piracy at sea; Mr Joe Chan share insights on maritime cyber crimes; Dr Vu Hai Dang speak on IUUF; and Dr Jolene Jerard on maritime terrorism.

Participants will also enjoy experiential learning through visiting the Maritime and Port Authority of Singapore's Port Operations Control Centre, Police Coast Guard HQ and Singapore Maritime Gallery.

We look forward to the insightful presentations and interactions!
