## Maritime Information Fusion Center-LA Peru

Commander  
Carlos DALL'ORTO  
PERU ILO

# Maritime Information Fusion Center - Peru for Latin America (IFC-LA Peru)

**Resolution for the IFC  
created  
01 August, 2019**

The Fusion Center realizes operations within the facilities of the Coast Guard Operations Command, regarding the collection of open-source data, within the scope of responsibility of IFC-LA in Peru, providing **timely and accurate information for the national and international maritime community** and other sectors of interest.

# Maritime Information Fusion Center - Peru for Latin America (IFC-LA Peru)

## IFC-Peru Location

IFC-LA in Peru is located in the facilities of the Coast Guard Operations Command, in the district, province and region of Callao, Peru.

## IFC-Peru Mission

The mission is to share accurate and timely information for **ROCRAM countries**, the **international maritime community**, and participating **organizations**, with the aim of **increasing the safety** and **protection** of both commercial and private navigation, as well as **facilitating the exchange** of regional and global information in the exchange of maritime information.

## IFC-Peru Vision

The vision is to be the center of excellence for the fusion, dissemination and exchange of information regarding security and maritime protection in the area of interest of IFC-Latin America in Peru.

# Deployment of Peruvian International Liaison Officer

- Since 2013, the Peruvian navy has deployed an International Liaison Officer at the IFC in Singapore. I am the fifth international liaison officer (2021- present).
- The Peruvian and Singapore navies signed a MoU in 2013.
- Currently we are updating and improving this MoU in order to increase the exchange of Maritime security information.
