## ABOUT IFC

The Information Fusion Centre (IFC), with a team of 22 International Liaison Officers (ILOs) from 19 navies/coastguards and more than 110 worldwide linkages in 44 countries, is a 24/7 regional Maritime Security (MARSEC) centre which aims to facilitate information sharing and collaboration between its partners.

IFC has been at the forefront of providing actionable information to cue responses by regional and international navies, coastguards and other maritime agencies to deal with the full range of MARSEC threats and incidents.

Please visit <https://www.ifc.org.sg> for more information.

## ABOUT SSA

Singapore Shipping Association (SSA), with more than 470 members, represents a wide spectrum of shipping companies and other business allied to the shipping industry.

It is a national trade association formed in 1985 to serve and promote the interests of its members, and to enhance the competitiveness of Singapore as an International Maritime Centre.

SSA collaborates with relevant maritime stakeholders to protect the marine environment as well as promote freedom and safety at sea.

Please visit <https://www.ssa.org.sg> for more information.

## ABOUT ASA

The Asian Shipowners' Association (ASA) is a voluntary organisation of the shipowner associations of Australia, China, Hong Kong, Japan, Korea and the Federation of ASEAN Shipowners' Associations (FASA), comprising shipping associations of ASEAN countries, consisting of Brunei, Indonesia, Malaysia, Myanmar, the Philippines, Singapore, Thailand and Vietnam.

The objectives of the ASA are to act as a channel to convey Asian Shipowners' voices to the international shipping community as well as to enhance and strengthen the ASA's stature.
