OBSERVATIONS

Statistics.

- 2 TRAPS incident reported in Oct 2025 occurred in East Kalimantan waters and Philip Channel. This represented a significant decrease as compared to the same period in 2024 (11), and 2023 (8).
- Of note, both incidents occurred during the Period of Darkness (PoD) involving a tug and barge and a bulk carrier respectively.

East Kalimantan.

- 1 Sea Theft (Attempted Boarding) incident involving a tug and barge during hours of darkness when the crew saw several wooden boats approaching the tug and barge suspiciously.
- Local authorities successfully detained five perpetrators with several machetes and shovels. No confrontation and injury were reported, and nothing was stolen.

Phillip Channel.

- 1 Sea Theft (Boarding) incident involving a bulk carrier during hours of darkness. Ship crew sighted 2 perpetrators armed with knives on board, who fled immediately after the ship's alarm were raised. No confrontation and injury were reported, and nothing was stolen.

Comments.

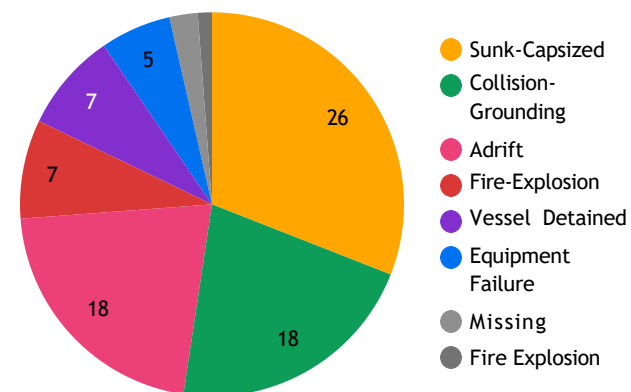

- The number of incident in Oct 2025 was recorded lower than previous months. This decline was likely due to the effective joint operations conducted by the Indonesian authorities in Jul 2025, supported by ongoing security patrols from the littoral states, which collectively sent a strong deterrent message to would-be perpetrators.
- IFC assess statistics for Nov 2025 to remain low, supported by ongoing enforcement in key areas, but vessels are urged to remain vigilant and implement protective measures to deter threats and prevent unauthorised boarding.
- Perpetrators persist in targeting low-freeboard, slow-moving vessels, particularly bulk carriers, tugs with barges, and container ships under 8 meters, primarily for petty theft, in line with past patterns.

- October included the first Rohingya IHM incident of the second half of the year. It is likely that these incidents will increase in number in Nov and Dec due to permissive weather, in line with historical trends.
- IHM activity decreased slightly compared to previous years. This is in contrast to Aug and Sep which showed slightly increased IHM numbers. Lower numbers this month may reflect the increase in arrests in previous months possibly resulting in a lower number of IHM attempts.

IFC Recommendations

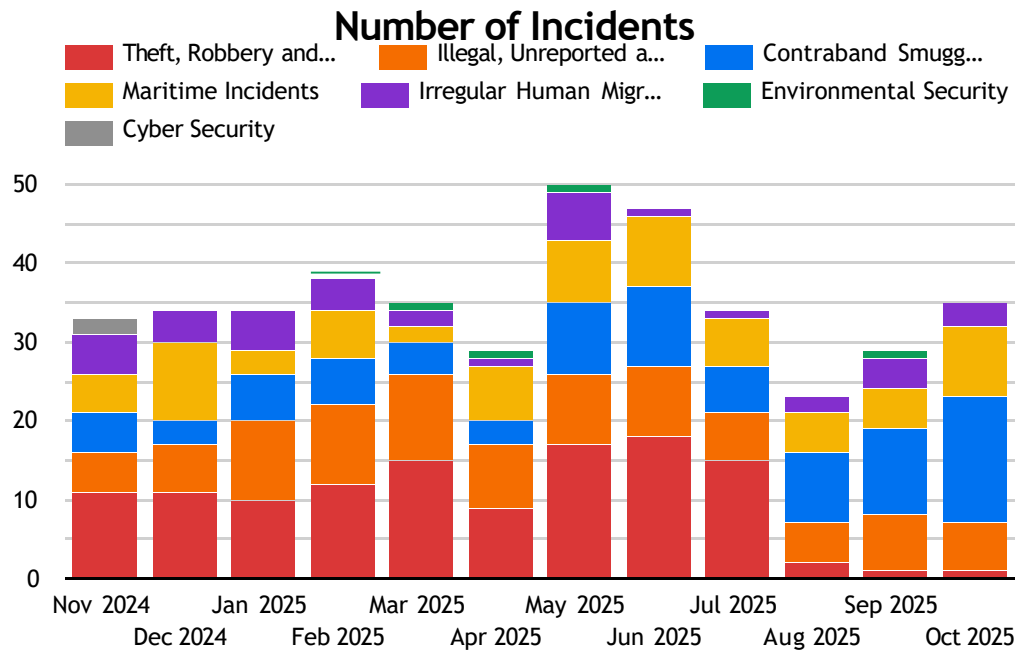

1. All mariners to report any maritime security incidents timely to the nearest coastal state and inform the IFC at the earliest possible time.
2. All mariners are strongly recommended to be vigilant, in particularly when operating in IFC identified hotspots (**Westbound lane of Traffic Separation Scheme in Singapore Strait, Eastbound lane of Traffic Separation Scheme in Singapore Strait, Belawan and Dumai Anchorages in Indonesia, Manila Anchorage in the Philippines, and Chittagong Outer Anchorage in Bangladesh**).
3. All mariners are advised to adopt **Ship Protection Measures** recommended in the **Regional Guide to Counter Piracy and Armed Robbery Against Ships in Asia** (e.g., illuminating the accommodation block and poop deck, deploying sentries and increase frequency of security rounds).
4. All mariners to take note on the description of the perpetrators and to take photos of the perpetrators if possible. Where available, CCTV footage capturing the incident should be provided to **the coastal state authorities** for follow-on investigation.
5. All mariners are advised to participate in **IFC Voluntary Community Reporting (VCR)** as depicted in **MARSEC Chart O6112 and O6113**. In case of any doubt, incident at sea, suspicious approach or unusual observed activity at sea, please contact the IFC Duty Officer:
Email: information_fusion_centre@defence.gov.sg
Tel: +65 9626 8965 (Hotline)
+65 6594 5728 (Office)
Fax: +65 6594 5734

The IFC seeks your observations in the course of your normal business. The IFC would like to remind mariners to be mindful of national and international laws, company and other policy requirements and also health and safety obligations, whilst recording these observations. The reporting of such events to IFC does not absolve you of your obligations towards coastal/ port/ flag authorities.
