IFC RECOMMENDATIONS

The IFC advises:

1. All mariners to report any maritime security incidents timely to the nearest coastal state and inform the IFC at the earliest possible time.
2. All mariners are strongly recommended to be vigilant, in particularly when operating in IFC identified hotspots (Sulu-Celebes seas and Eastbound Lane of Traffic Separation Scheme in Singapore Strait).
3. All mariners are advised to adopt Ship Protection Measures recommended in the Regional Guide to Counter Piracy and Armed Robbery Against Ships in Asia (e.g., illuminating the accommodation block and poop deck, deploying sentries and increase frequency of security rounds).
4. All mariners to take note on the description of the perpetrators and to take photos of the perpetrators if possible. Where available, CCTV footage capturing the incident should be provided to the coastal state authorities for follow-on investigation.
5. All mariners are advised to participate in IFC Voluntary Community Reporting (VCR) as depicted in MARSEC Chart Q6112 and Q6113. In case of any doubt, incident at sea, suspicious approach or unusual observed activity at sea, please contact the IFC Duty Officer:

Email: information_fusion_centre@defence.gov.sg

Tel: +65 9626 8965 (Hotline)

+65 6594 5728 (Office)

Fax: +65 6594 5734

The IFC seeks your observations in the course of your normal business. The IFC would like to remind mariners to be mindful of national and international laws, company and other policy requirements and also health and safety obligations, whilst recording these observations. The reporting of such events to IFC does not absolve you of your obligations towards coastal/ port/ flag authorities.
